- Housing Authority of City of Ventura, 2014
<https://vimeo.com/109283471>

EDUCATION

- Crossroads: The Intersection of Housing and Education Policy, Urban Institute
<http://apps.urban.org/features/crossroads-housing-education-policy/>

COMMUNITY

- Designing Healthy Communities, Richard J. Jackson, 2011
Designing Healthy Communities, the companion book to the acclaimed public television documentary, highlights how we design the built environment and its potential for addressing and preventing many of the nation's devastating childhood and adult health concerns. Dr. Richard Jackson looks at the root causes of our malaise and highlights healthy community designs achieved by planners, designers, and community leaders working together.

- Healthy Development without Displacement, Realizing the Vision of Health Communities for All, Prevention Institute, Written by Prevention Institute. Principal authors: Manal J. Aboelata, Rachel Bennett, Elva Yañez, Ana Bonilla, and Nikta Akhavan, July 2017
<https://www.preventioninstitute.org/sites/default/files/publications/Healthy%20Development%20without%20Displacement%20-%20realizing%20the%20vision%20of%20healthy%20communities%20for%20all.pdf>

WEBSITES

- Community Development, Federal Reserve Bank of San Francisco, Website
<http://www.frbsf.org/community-development/>
- Esperanza Community Housing. Esperanza Community Housing Corporation works to achieve comprehensive and long-term community development in the Figueroa Corridor neighborhood of South-Central Los Angeles. Community residents of all ages and ethnicities are the foundation of Esperanza's grassroots work.
<http://www.esperanzacommunityhousing.org/>
- Health Matters in Ventura County. The Health Matters in Ventura County website, funded by Ventura County Public Health, is intended to help community members and policy makers learn about the health of the community. It provides local health data, resources, best practices, news articles and information about community events. In keeping with Ventura County Public Health mission and values, it is important that the site provides balanced information on a broad range of topics affecting the health of our community and highlights the assets in our community.
