Recommendations

Receive and File a presentation regarding the 2017 CSAC Challenge & Merit Awards

Discussion

The California State Association of Counties (CSAC) annually presents their Challenge and Merit Awards to recognize the innovative and creative spirit of California county governments as they find new, effective and cost-saving ways to provide programs and services to their citizens. This year, Ventura County is receiving a Challenge Award in the Health & Human Services Category for the Health Insurance Eligibility App and a Merit Award in the Health & Human Services category for the Safe Alprazolam Prescribing and Benzodiazepine Monitoring Program

Please join me in recognizing this year's Challenge & Merit Award winners.

Sincerely,

A handwritten signature in cursive script that reads "Kelly Long".
